**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION**

**IN RE RESISTORS ANTITRUST  
LITIGATION**

**Case No. 3:15-cv-03820-JD**

**This Document Relates to:  
All Indirect Purchaser Actions**

**[PROPOSED] FINAL JUDGMENT OF  
DISMISSAL WITH PREJUDICE AS TO  
DEFENDANTS ROHM CO., LTD. AND  
ROHM SEMICONDUCTOR U.S.A., LLC**

**Date:** December 12, 2019  
**Time:** 10:00 a.m.  
**Place:** Courtroom 11, 19<sup>th</sup> Floor  
**Judge:** Hon. James Donato

1 This matter has come before the Court to determine whether a final judgment of dismissal  
2 should be entered as to Defendants ROHM Co., Ltd. and ROHM Semiconductor U.S.A., LLC  
3 (together, “ROHM Defendants”) in light of the settlement with the Indirect Purchaser Plaintiffs  
4 (“IPPs”). The Court, having reviewed the settlement agreement between IPPs and ROHM and  
5 IPPs’ Motion for Final Approval of Settlements with All Defendants (“Final Approval Motion”),  
6 having held argument on said motions on December 12, 2019, and finding no just reason for  
7 delay, hereby directs entry of Final Judgment under Federal Rule of Civil Procedure 54(b), which  
8 shall constitute a final adjudication of this case on the merits as to members of the Settlement  
9 Class and the ROHM Defendants pursuant to the Settlement Agreement Between Plaintiffs and  
10 the ROHM Defendants (“Settlement Agreement”) (*see* Dkt. No. 514-2; Ex. 3).

11 Good cause appearing therefore:

12 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

13 1. The Court has jurisdiction over the subject matter of this litigation, and all actions  
14 within this litigation (collectively, “Action”) and over the parties to the Settlement  
15 Agreement, including all members of the Settlement Class and the ROHM Defendants.

16 2. For purposes of this Judgment, except as otherwise set forth herein, the Court  
17 adopts and incorporates the definitions contained in the Settlement Agreement as though they  
18 were fully set forth in this Final Judgment. Specifically, “Class,” as defined in the Settlement  
19 Agreement, means:

20 All persons and entities in the United States who purchased one or  
21 more Linear Resistor(s), from a resistor distributor not for resale  
22 which Defendants, or their current or former subsidiaries, or any of  
23 their co-conspirators sold, from at least 2003 through August 20,  
24 2015. Excluded from the Class are Defendants, their parent  
25 companies, subsidiaries and affiliates, any co-conspirators,  
26 Defendants' attorneys in this case, federal government entities and  
27 instrumentalities, states and their subdivisions, all judges assigned  
28 to this case, all jurors in this case, and all persons and entities who  
directly purchased Linear Resistors from Defendants.

1           3. Those persons and entities identified in the list attached hereto as **Exhibit A** are  
2 validly excluded from the Class. Such persons and entities are not included in or bound by this  
3 Judgment. Such persons and entities are not entitled to any recovery of the settlement proceeds  
4 obtained in connection with the Settlement Agreement.

5           4. The Court finds the prerequisites to a class action under Rule 23(a) have been  
6 satisfied for settlement purposes by each of the Settlement Class in that:

- 7           a. There are thousands of putative members of the Settlement Class, making  
8 joinder of all members impracticable;
- 9           b. There are questions of fact and law that are common to all members of the  
10 Settlement Class;
- 11           c. The claims of the Class Representatives are typical of those of the absent  
12 members of the Settlement Class; and
- 13           d. Plaintiffs Linkitz Systems, Inc., Microsystems Development Technologies,  
14 Inc., Nebraska Dynamics, Inc., MakersLED LLC, Top Floor Home  
15 Improvements, Angstrom, Inc., In Home Tech Solutions, Inc., and Anthony  
16 Sakal (“Class Representatives”) have and will fairly and adequately protect  
17 the interests of the absent members of the relevant Settlement Class and have  
18 retained counsel experienced in complex antitrust class action litigation who  
19 have and will continue to adequately advance the interests of the Settlement  
20 Class.

21           5. The Court finds that this Action may be maintained as a class action under Rule  
22 23(b)(3) for settlement because: (i) questions of fact and law common to the members of the  
23 Settlement Class predominate over any questions affecting only the claims of individual  
24 members; and (ii) a class action is superior to other available methods for the fair and efficient  
25 adjudication of this controversy.

26           6. Pursuant to Rule 23(g), the Court hereby confirms that Cotchett, Pitre &  
27 McCarthy, LLP is appointed as Settlement Class Counsel, and that Plaintiffs Linkitz Systems,  
28

1 Inc., Microsystems Development Technologies, Inc., Nebraska Dynamics, Inc., MakersLED  
2 LLC, Top Floor Home Improvements, Angstrom, Inc., In Home Tech Solutions, Inc., and  
3 Anthony Sakal are appointed to serve as Class Representatives on behalf of the Settlement  
4 Class.

5 7. Upon the Effective Date, all Releasing Parties shall be permanently barred and  
6 enjoined from instituting, commencing, prosecuting or asserting any Released Claim against  
7 any of the Released Parties.

8 8. The Court has finally approved the settlement between the Class Representatives  
9 and the ROHM Defendants in the total amount of \$2,000,000.

10 9. This Court hereby dismisses on the merits and with prejudice IPPs' claims and  
11 the Action against the ROHM Defendants, with each party to bear its own costs and attorneys'  
12 fees, except as provided in the Settlement Agreement.

13 10. Without affecting the finality of the Judgment in any way, this Court hereby  
14 retains continuing jurisdiction over: (a) implementation of this settlement and any distribution  
15 to members of the Settlement Class pursuant to further orders of this Court; (b) disposition of  
16 the Settlement Fund; (c) determining attorneys' fees, costs, expenses, and interest; (d) the  
17 Action until the Final Judgment contemplated hereby has become effective and each and every  
18 act agreed to be performed by the parties all have been performed pursuant to the Settlement  
19 Agreement; (e) hearing and ruling on any matters relating to distribution of settlement  
20 proceeds; and (f) all parties to the Action and Releasing Parties, for the purpose of enforcing  
21 and administering the Settlement Agreement and the mutual releases and other documents  
22 contemplated by, or executed in connection with the Agreement.

23 11. This document constitutes a final judgment and separate documents for purposes  
24 of Federal Rule of Civil Procedure 58(a).

25 12. The Court finds that, pursuant to Federal Rules of Civil Procedure 54(a) and (b),  
26 Final Judgment should be entered, and further finds that there is no just reason for delay in the  
27 entry of Final Judgment, as to the parties to the Settlement Agreements. Accordingly, the Clerk  
28

1 is hereby directed to enter Final Judgment forthwith.
